

I am an avid supporter of K-LOVE radio. I listen to it almost all day every day. It is family-friendly. I do not have to worry that my family will hear inappropriate discussions or lyrics. K-LOVE provides encouragement & real support for its listeners. A staff pastor is always on hand to help out whenever necessary. I know they will be there if I need them. That is a big deal to lose that support not only for me but for the thousands of others in my community who count on K-LOVE. It isn't just a radio station. It is a ministry and a community service.
